

Atol Aviation Press Release

Friedrichshafen, 8 April 2025

Atol Aviation presents Atol Mobile Hangar

The Atol Mobile Hangar is a customised trailer designed for the Atol Aurora amphibious aircraft and its operations.

The aircraft, with its foldable wings, can be easily transported using this trailer. Additionally, it serves as a base during missions or outdoor adventures.

The Atol Mobile hangar can accommodate also other aircraft and can also be used without an aircraft. It can be customised; for instance, the windows are available.

The Atol Mobile Hangar offers an interior volume of 55.7 cubic meters (1,967 cubic feet) and measures 2,420 mm × 7,940 mm × 2,900 mm (95.3 in × 312.6 in × 114.2 in) inside.
